"There is so much on offer; items such as health and safety clothing, iPads, Machine Mart vouchers and agronomy tools. We claimed the Team Scout sprayer this year because we thought it would improve the safety of spraying on some of our smaller tees.

"The sprayer is great quality and very useful, but it might only be used five times a year, so without Turf Rewards it would be difficult to justify the expenditure. However, Turf Rewards eliminates the need of going through that process - it's just a great and beneficial scheme."

Samuel Young, Course Manager
West Malling Golf Club.
